

LGBTQ mental health service

Volunteer Opportunities

This is an exciting opportunity for any LGBTQ person eager to build on current skills and experience or to develop new skills and to work as part of a volunteer team that provides essential and valued support for LGBTQ people.

There will be support, mentoring and training to become a MindOut Volunteer.

All enquiries and applications are welcome from all LGBTQ people. In addition, we would very much like to hear from you if you identify as trans or non-binary, or if you are a person of colour.

Closing date for applications: **9am, Thursday 1st June 2023**
